EQUAL OPPORTUNITIES POLICY

East Stirlingshire Football Club is committed to a policy of equal treatment of all members of whatever level or authority, to abide and adhere to this general principle and the requirements of the Codes of Practice issued by the Equal Opportunities Commission and Commission for Racial Equality.

All members are expected to abide by the requirement of the Race Relation Act 1976, Sex Discrimination Act 1986 and Disabled Discrimination Act 1995.

The following prohibits specifically discrimination;

1. Treating any individual on the ground of gender, colour, marital status, race, nationality or ethnic or national origin, religion, sexual orientation or disability less favourably than others.
2. Expecting an individual solely on the grounds stated above to comply with the requirement for any reason whatsoever related to their membership, which are different from the requirements of others.
3. Imposing on an individual requirement, which are in effect more onerous on that individual than they are on others. For example, this would include applying a condition, which makes it more difficult for members of a particular race or sex to comply than others not of that race or sex.
4. Victimisation of an individual.
5. Harassment of an individual, by virtue of discrimination.
6. Any other act or omission of an act, which has its effect the disadvantaging of a member against another, or others, purely on the above grounds. Thus, in the entire Club's recruitment, selection, promotion and training processes, as well as disciplinary matters, it is essential that merit, experience, skills and temperament be considered as objectively as possible.
